

Greg Laurie: If You're a Christian, You Cannot Be Demon-Possessed

Greg Laurie says in a recently posted video that it is impossible for a Christian be possessed by a demon.

“You might ask the question, can people be demon-possessed today?” Laurie says. “Sure they can. Yeah. Absolutely. OK, then you might ask the question, Can Christians be demon-possessed? No, they can't be. I'll tell you why. When you put your faith in Jesus Christ, a sign is effectively hung around your neck that says 'Under New Management,' OK? You belong to the Lord now, and Jesus is not into a timeshare program.”
