

Greg Locke Leads Mass Deliverance for You to Be Set Free

The Holy Spirit is moving in power across the United States. This is the revival many of us have been praying for. And there are numerous ministry leaders that God has given platforms to for such a time as this.

Pastor Greg Locke has more than 4,000,000 followers combined on social media platforms. You may have seen his viral videos about Supreme Court decisions and his biblical stance, or you may know of the controversies he walked through keeping his church open during the unconstitutional church shutdowns in 2020. But Pastor Greg realized that his social media platforms were built for the purpose of deliverance.

But Pastor Greg told me, “God built our platform for the ministry of deliverance. Our church is in full blown ‘re baptizing thousands of converts and seeing healing everywhere. Deliverance changed everything about us. It opened our church up to all the gifts of the Spirit.”

Pastor Greg’s documentary ‘Come Out in Jesus Name’ was released March 13 and is returning to theaters April 10 and 11th. I watched an e-screener before its initial release and was moved by the Spirit as people were being set free on the movie. Greg said that when the movie is released in theaters and credits end, he will be simulcasted into the theaters to lead people in mass deliverance.

I’d asked him how God led him into praying mass deliverance for large groups of people which you will see on the movie. Greg said, “Mass deliverance for us is a necessity. With all the people coming, I told my staff that we have to work smarter and not harder. We learned a lot from ministers in the

past that did mass deliverance. I'd said, 'Let's do what we do with an individual but let's do it for the masses. Let's do as many renunciations, repentance, forgiveness work, let's break off witchcraft and generational curses and see what happens. Thousands of people are coming to my church receiving freedom from evil spirits.

Near the end of my conversation with Pastor Greg I asked him to lead our viewers and listeners into being set free from sin, sickness and demons. He said, "Sometimes people manifest very dramatically, while others do not. It can be very quick or take a while and be progressive."

He continued saying, "When you're being delivered, it can feel like a mack truck hits you or an overwhelming peace from God falls upon you as you are delivered. Demons have one job and that is to take your peace. They can do that through infirmity, your marriage falling apart, a mental deficiency, nightmares or anything. They come to torment you. But I am going to pray for you to be set free. For demons to come out in Jesus Name."
