

Hank Kunneman Says 'God's Man Will Stand in the Land Again'

Hank Kunneman, founder and senior pastor of Lord of Hosts Church in Omaha, Nebraska, and One Voice Ministries, offers this word of encouragement to the church—walk by faith and celebrate as God works beyond what we can see.

“God says, ‘Fear not; I am preserving the U.S. today,” Kunneman said. “We’re going to stand still while God works on behalf of our nation.

“Quit looking at the outward. Don’t come out of faith.”
