

Has This Biblical Mystery Finally Been Solved?

Jewish Voice CEO Jonathan Bernis explains his adventure of discovering and ministering to a new Jewish community called the Gefat people of Woliso, Ethiopia, linked to the Lost Tribes of Israel, during a Jewish Voice medical mission trip earlier this year. From this mission, JVMI was able to plant a Bible school through the Messianic Jewish Bible Institute (MJBI) with some 170 students.

More outreaches in the future look likely for Jewish Voice to minister to the Yiber tribe of Somaliland and the Lemba of Zimbabwe. It's a true "Indiana Jones" adventure. Check it out:
