

Hell Will Be Full of Pastors: Scary Reality About Your Faith

There's only one truth and one way to heaven: through Jesus Christ alone.

This is the message that Pastor Mark Driscoll recently shared, and while it may seem like the simplest, most basic part of the Christian faith, it's a reality that so many have ignored.

"You can have your parents baptize you as a baby in the church. You can grow up going to youth group in the church. You can serve in the church, you can sing songs in the church, you can tithe to the church ... and go to hell," Driscoll says.

Driscoll's message on Hebrews four was a call for Christians to look past their religious activity and examine the true condition of their heart posture toward the Lord.
