

Hillsong Debuts Music Video for New 'Song of Ascent'

Hillsong United released its newest live album, *People*, on Friday through all major digital retailers. On YouTube, the band commemorated the album's launch by releasing live music videos for all the album's songs—including this video for the song "Highlands (Song of Ascent)." The lyrics praise God for His faithfulness and goodness in both times of blessing and times of pain. The video was recorded live at Hillsong Worship & Creative Conference in Sydney, Australia.
