

Hillsong United Releases Official Quarantine Version of 'Another in the Fire'

Although the song was released in 2018, Hillsong United released the official music video of "Another in the Fire" on May 6, featuring Taya. But due to COVID-19, it became a social distancing version of the song. The video shows empty streets and the band members recording with their instruments and equipment from home. The lyrics fit the times we're in, with one section reading:

"When I look at the space between/ Where I used to be and this reckoning/ I know I will never be alone."
