

Hobby Lobby Founder's Audacious Plan to Help America Rediscover God's Word

He stood up to Obamacare and won at the Supreme Court. Now Steve Green, founder of the Hobby Lobby retail chain, is fighting to turn back the tide of biblical ignorance and apathy.

Watch as Green and ancient-manuscript specialist Dr. Scott Carroll tell how they acquired the largest private rare Bible collection in the world in less than 18 months—and the incredible plans they have for it:
