

How Debbie Morris Kept 'Supernatural Peace' During Robert Morris' Near-Death Health Crisis

Pastor Robert Morris says he and his wife Debbie have been more reflective and thankful this holiday season after his near-death experience earlier this year. Morris was airlifted to the hospital in April after suffering internal bleeding, leading to two rounds of emergency surgeries and an extended hospitalization. Many have interviewed the Morris family since, and Robert says the most common question they ask Debbie is how she felt during the ordeal. She always has the same answer: "I was concerned, but I had a supernatural peace." Why? Watch this short clip to find out.
