

How the Apostolic Grace Sparks Massive Transformation in Your Life

Many people wonder how I travel the world, lead a church, write book after book and operate three media companies. It's the grace of God working in me (see 1 Cor. 15:10).

Yes, I work hard. But the apostolic grace has helped transform me and empowers me to do what God has called me to do. The apostolic grace is available to every believer.

Let this video from my School of the Apostles encourage you to tap into the apostolic grace.
