

How to Read the Prophetic Books of the Bible Like a Bible Scholar

Whether it's minor prophets or major prophets, the prophetic books of the Bible can be some of the hardest books to read and understand. The Bible Project's most recent animated video is dedicated to explaining how approach these books with the proper context and expectations so that you can see what the Holy Spirit is doing. After all, the video explain, "If you have tried to read these books, odds are you got lost in their dense poetry and strange imagery. But these books are super important for understanding the overall biblical story." Watch the full video [here](#).
