

How to Spiritually Silence the Voices Saying 'You Can't'

Christian singer Hollyn recently opened up about having to silence her inner critic and instead take her concerns and failures to Jesus. On an interview with WAY Nation, Hollyn said, "Up until probably a year or so ago, I had never really gotten quiet before God and just started telling Him every thought that was coming to my head." She then shared what's been helpful for her in taking every thought captive. Watch it [here](#).
