

How to Trust That the Holy Spirit Is Guiding You

Pastor and founder Michael Signorelli of V1 Church in New York shares a powerful word about listening to the guiding of the Holy Spirit. Even when we can't see it, our future rests in the hands of our Creator. Just because it seems like God is silent doesn't mean He's not working in your life.

Pastor Signorelli declares over you, "Anxiety is a false narrative about your future, but the Holy Spirit will declare to you what is going to happen to you in your future. And God wants to set you free." Make sure you catch the full message here. {eoa}
