

How Unresolved Trauma Can Leave You Demonized

Trauma starts as a shock against the soul or the body. We are overwhelmed and our defense mechanisms are down.

During this time, we may engage in sinful actions, from escape mechanisms to unforgiveness, that open the door to demons. The enemy will work to gain an advantage over us in the midst of trauma while we are in a weakened condition.

Watch this video and discern the signs of unresolved trauma so you can slam the door in this spirit's face.
