

‘Hundreds Upon Hundreds’ Attended Morris Cerullo’s Christmas Event

Greg Hodson, vice president of television at Morris Cerullo World Evangelism, says the ministry’s big Christmas event—“Christmas City USA”—went extremely well this year.

“What an amazing, miraculous event,” Hodson says. “... Hundreds upon hundreds of people filled the plaza to witness this beautiful tree-lighting ceremony, with the Christmas tree and the show fountain. We had choirs. We had food. We had coffee, hot chocolate, popcorn. We had toy drives. We had so much going on here.”
