

Influential Jesus-Believing Rabbi Issues Stern Warning for America

Rabbi Kirt Schneider, a Jewish believer in Jesus, warns that our culture will continue to go from bad to worse, just as Scripture says.

❌ “It’s already too late,” Schneider says. “The floodgates of darkness have been opened and there will be no global restoration or relief. Only individual restoration is still possible,” Schneider said.

Amidst the current cultural catastrophe where we live, Rabbi Schneider’s latest book, “Messianic Prophecy Revealed” addresses the urgency of our situation. Schneider shares how America was founded on Judeo-Christian principles and now has turned her back on them.
