

Jackie Hill-Perry Calls Out Transgender Confusion Sweeping Society

Jackie Hill-Perry used to struggle with gender identity issues. Now, she wants to speak boldly to culture and insists that God doesn't make mistakes when it comes to one's biological sex. In fact, she says, "To reject the ways in which He has made us is to reject God Himself." She explains why transgender people will ultimately not find the love and happiness they seek until they accept God's design.
