

James Goll: I'm in Heaven and an Angel Says One Thing That Changes My Life

James Goll says he was recently caught up in a heavenly experience. In the visitation, Goll says he was invited to a hill where he was asked to sit down at a table.

"And across from me is sitting an important person from heaven," Goll tells Sid Roth.

The angel looked him dead in the face and told him, "For the next 20 years of your life, I want you to terrorize the devil."

Goll, who had four near-death experiences as well as myriad health concerns, suddenly had a guaranteed 20 years straight from heaven.
