

Jeremy Riddle and Steffany Gretzinger Explain How Pure Worship Turns Into Powerful Warfare

Steffany Gretzinger and Jeremy Riddle explain the spiritual power of authentic worship in a behind-the-scenes clip from The Altar Conference. The two worship leaders discuss what worship is, how it bridges heaven and earth and even how it can change the spiritual realities of a region.

Riddle says, “When Jesus is exalted, it wreaks havoc on the kingdom of darkness. ... When we simply adore Jesus en masse, it changes something. It shifts something over cities and regions. And we know that. Sometimes we know that by faith and sometimes we know that by fruit.”
