

Jim Bakker: We Are Starting Revelation 6:3 Right Now

Televangelist Jim Bakker says the world is starting Revelation 6:3 (KJV) right now.

“And when he had opened the second seal, I heard the second beast say, Come and see,” John wrote. “And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.” Bakker says he believes this will happen before the end of the year.

“You wait and see. I believe before Christmas, we’re going to have things happen that we’ve never seen before,” Bakker says. There’s going to be a shaking like there’s never been before on earth.”
