

Join Us for 40 Days of Prayer to Change America

America is at a major crossroads—politically, economically and, most importantly, spiritually. Our solution isn't found in one political figure or party, but solely in Jesus Christ. And our only hope as a nation is to humble ourselves, repent and seek God's face.

With the upcoming political elections possibly determining America's future, imagine what could happen if the church came together and called out to God in the spirit of 2 Chronicles 7:14. Beginning Sept. 28 through Nov. 6, you can join the masses for 40 days of praying and fasting for God to save America. God has already stirred millions in the American church and around the world to intercede during this time, and we want to help you in this critical season. Our free **40 Days of Prayer to Change America** newsletter is a daily guide that includes a prayer topic for each day, Scripture, prayer points and more. Sign up at [to receive this free prayer resource](#) from **Sept. 28 through Nov. 6.**

With America nearing a crisis point, prayer is the only thing that will bring real change. Let's not miss this opportunity.
