

Jonathan Cahn and 'The Harbinger II: The Return'

Several years have now passed and the warnings and insights that were revealed in *The Harbinger* have suddenly taken hold of America. Our country has not repented of its collective sins, but instead, the people have become more wicked by the day. People who follow the Lord Jesus Christ and His teachings in the Bible are almost numb with disbelief at the evil we are witnessing.

Could COVID-19 be a judgment from God? Yet another end-time warning?

Join Gary Stearman and Rabbi Jonathan Cahn as they share words of wisdom and insights into the last days from Cahn's newest book, *The Harbinger II*.
