Jonathan Cahn: America Has Turned to the Spirit of Baal

Jonathan Cahn says America is replaying an ancient template of judgment.

“America is following the same course that ancient Israel followed when it turned away from God and ultimately headed to judgment and destruction,” Cahn says in a new video.

Recently, the pagan Palmyra arch—aka the arch of Baal—was erected in Washington, D.C. the day before Brett Kavanaugh testified before a Senate committee about sexual assault allegations.

Is there a connection between the two?

Watch the video to see.
