

Joyce Meyer: Christians Have the Privilege of Trusting in God During COVID-19

Author and speaker Joyce Meyer says Christians have a privilege to trust that God will meet our needs during this COVID-19 crisis. It's also important, she says, to help others in need who have lost their jobs.

"I know in times like this, it's hard to understand—if God loves me, then why is this happening?" Meyer says. "I'm not going to tell you I have the answer to that; all I know is that we have the privilege of trusting God. I can't even imagine what it would be like to be facing some of these things and not to have any faith in God. ... God will meet your needs."
