

Joyce Meyer: Focus on God's Blessings, Not Fear of Unknown

Author and speaker Joyce Meyer says rather than focusing a majority of our time on what-ifs, the unknown and the coronavirus, we need to shift our thoughts toward the blessings God's given us.

"We need to keep our eyes on how blessed we are, and let's not even complain about the inconveniences, but thank God for what we do have," Meyer says. "This is a great time to be reaching out to other people and helping them, especially people who have needs that are greater than your own."
