

Kari Jobe Releases New Song 'Hosanna'

The Belonging Co released a new video of Kari Jobe performing their new song "Hosanna" live, from the album *Awe + Wonder*. The lyrics are a beautiful anthem of praise to Jesus, beckoning for God's presence. In this special recording, Jobe adds some spontaneous singing (jump to minute 3:30) before entering the bridge of the song.

"Blessed is he who comes in the name of the Lord/ Join now and sing/ Jesus is king/ He reigns forevermore."

Kari Jobe, a popular singer-songwriter who has been releasing worship music since 2009, has received a Grammy Award nomination and won four Dove Awards. Watch the entire video [here](#).
