

Kim Clement Eerily and Accurately Prophesied About These Terrorist Attacks

Musical prophet Kim Clement eerily and accurately prophesied about many terrorist attacks, including 9/11.

“There has been a terrorist attack,” he prophesied in 1996. “America will retaliate for what they did to our people as they flew through the air of Long Island.”

But that’s not all. Watch the video to see what other revelations he had.
