

Lance Wallnau: The Battle of Genesis Is Repeating Today

Lance Wallnau says the spirit of Leviathan is trying to block technology and twist the message he's been called to share.

"We can't just assume that Donald Trump, because he's anointed, is going to win this battle," Wallnau tells Jim Bakker.

"Between now and 2020, Jim Bakker, we're going to have to be a voice of awakening to awaken the body of Christ to an age, to a level that it has not understood in its personal history," Wallnau says.
