

Lecrae Exposes the Dark Details of His Secret Spiritual Battle With Depression

Lecrae spoke with Pastor Steve Carter at Willow Creek Community Church about the name of his new album, *All Things Work Together*. Lecrae said it was a reminder of the truth of Romans 8:28 in a time when he desperately needed it. He said, "What I needed to know in the same way was that if I took my tears, if I took my depression, if I took my anxiety and my fear and my hurt, and I mixed it together, that God could refine that and make something good out of it."
