

Lou Engle: We Are in the 'Deluge' Of 1998 Prophecy About Eclipse, Hurricanes

Nearly 20 years ago, a prophecy foretold of an eclipse followed by a hurricane, followed by a great deluge of the Holy Spirit's outpouring.

"Who would have guessed that in one week, all of those things would happen," Lou Engle says at Awaken the Dawn.

Engle now believes we are in that deluge. Watch the video to see more.
