

Mario Murillo: 'I Have Never Seen Anything Like This'

Read Time: 2 Minutes 31 Seconds

We are facing the greatest challenge we have faced in our history. And I want you to do something. And no, I am not asking you to pledge money.

The thing is, Americans want to be born again on a level I have never seen before. We are witnessing a widespread, national turning to God. Not even in the heat of the Jesus Movement did we see anything like this.

In Colorado Springs, we had 1,500 volunteers. When they gathered together for the first time, they wondered if there would be enough work for everyone. But the first night, the number of people who came forward was so massive, we needed every volunteer.

Americans want to be born again on a level I have never seen before.

Now we are bracing ourselves for the tent crusade in Roseville, California, Nov. 14-17. Again, we are scrambling to find as many workers as possible, in order to handle the expected harvest of souls.

But this is only a small part of the story. Right now, we have our choice of several cities to evangelize. Pastors are rallying to our cause in record numbers. We are even pursuing the possibility of obtaining the Los Angeles Fairgrounds for a massive crusade in 2023!

The call for us to win the lost is coming from the North, the South, the East and the West! We are even working on having children's crusades next door to our regular crusades.

This all adds up to a crisis of opportunity. I prayed about how to handle this. So, I do not want to ask you for an offering. Those of you that partner with us know that we almost never ask for money. So, instead of an offering, I wanted to offer a win-win situation.

We have decided to offer you a special sale of my two bestselling books and use the proceeds to seize the harvest. We call it the Super Set. We will ship them to you free of charge.

“Vessels of Fire and Glory” will explain your inner frustration to break free of the modern lukewarm church. It explains how God is separating you unto Himself to make you a vessel of fire and glory. He wants to equip you with the skills required to save a nation.

“Do Not Leave Quietly” is the natural sequel to “Vessels of Fire and Glory.” It shows you how ordinary people rise up to defeat evil. You cannot remain silent in the face of evil. You must express your skills to save a nation with a voice from God! You will learn what to say, when to say it, and how to say it.

Not only will you be gaining excellence for Christ, you will be bringing in the harvest of lost souls. {eoa}
