

Matt Chandler Preaches 42 Minutes Straight About Miracles and Prophecy

Recently, Matt Chandler, pastor of The Village Church, announced that his church was continuationist and recognized the gifts of the Holy Spirit. During an exegetical series on 1 Corinthians, Chandler got to show off his new theology with a sermon on 1 Corinthians 14. Over the span of 42 minutes, Chandler proves his initial point—"The church of Jesus has always been a supernatural community. Always"—through both Scripture and church history, discussing the theological groundwork for speaking in prophecy, miracles and more. Don't miss it.
