

Michael W. Smith Testifies to Wife's Miraculous Healing

Michael W. Smith says that he believes love at first sight is real, because he experienced it with his wife Debbie. Smith, a Christian music veteran, says he was engaged just three and a half weeks after meeting her and married four months later—something that he doesn't necessarily recommend for young believers but says can work. Smith also shares about the incredible miracle God worked in her body—after doctors said she would never be able to have kids—in this video from I Am Second.
