Forerunner Church Holds Final Service Amid IHOPKC Shuttering

Forerunner Church celebrated its final church service on Pentecost Sunday before its closure.

Forerunner Church is a branch of the International House of Prayer Kansas City (IHOPKC) ministry. After multiplying scandals surrounding ministry founder, Mike Bickle, IHOPKC decided to shutter everything except for the 24-hour prayer room.

"This morning our heart is really to just express gratitude to the Lord and gratitude toward those that have served and been a part of this community over the years," Pastor Isaac Bennett said.

Expect the Unexpected When God Brings Revival in New Ways

An important part of every believer's life should be expectancy and openness for God to do a new thing. The body of Christ desperately needs revival and reformation. By and large, we have drifted astray from God's original design: the Acts church.

It's rare to see vessels walking in the power of God as the first apostles did. It's rare to see apostles and prophets accepted and operating in their important role to equip, impart and lead. These aspects of the Acts church are integral to the church today as Jesus says "the kingdom of God is not in word, but in power" (1 Cor. 4:20, MEV).

The ministry He demonstrated and commanded us to do was preaching that the kingdom of heaven is at hand, healing the sick, casting out demons and raising the dead. If you're serious about following God's Word, rather than the status quo of Christian culture of today, you'll realize just how desperately we need revival and major change in the church.
