

Morning Rundown: Jonathan Cahn Destroys the Altar of Ishtar in Powerful Act

In a recent interview with Charisma Media, renowned author and researcher L.A. Marzulli leapt into the topic of supernatural portals and their connection to the biblical promised land of Israel. Known for his expertise in the fields of the paranormal and spiritual warfare, Marzulli raises concerns about the spiritual battle that exists both in the natural and supernatural realms.

“There are gateways and portals over the promised land, there’s no doubt about that,” Marzulli states, emphasizing that these openings allow entities to pass through from other realms. He draws a direct connection between the supernatural activity in Israel and the spiritual forces described in the Bible. “Just like there are gateways and portals in other places on the Earth, this is how these entities pass through.”

Marzulli references the book of Daniel to provide a biblical foundation for his claims. He points to Daniel 10:13, where an angel sent to deliver a message to Daniel is delayed for 21 days by the “prince of Persia,” a demonic territorial spirit. Marzulli believes that similar spirits are still active in regions like Iran and Gaza today. “There are territorial spirits,” he explains. “The Bible tells us who the Prince of Persia is. I would posit that the Prince of Persia is still operating.”
