Tony and Carla Evans Married in Private Ceremony

Pastor Tony Evans, the renowned leader of Oak Cliff Bible Fellowship in Dallas, Texas, has recently entered into a new chapter of his life as he exchanged vows with Carla Crummie in a private ceremony surrounded by family and close friends. The joyous news was shared by the church on social media, accompanied by a heartwarming photo of the couple.

Pastor Evans, 74, had previously lost his beloved wife, Lois Evans, to biliary cancer in 2019. The couple had been married for 49 years and shared four children, Priscilla Shirer, Jonathan Evans, Anthony Evans Jr. and Crystal Evans Hurst. Lois was an integral part of Pastor Evans' ministry and played a significant role in the founding of Oak Cliff Bible Fellowship and The Urban Alternative, a media ministry that reaches millions of listeners across 130 countries.

A Divine Union

In September 2023, during a celebration service for his birthday at Oak Cliff Bible Fellowship, Pastor Evans revealed that he was engaged to Carla Crummie. He shared that both he and Carla had experienced the loss of their spouses and that God had brought them together in a beautiful way.

12 Ways to Overcome the Spiritual Blahs

A holy fire was ignited in your heart when you first met

Jesus. You discovered true joy, peace and love. God sparked a spiritual hunger in you, which awakened a desire to pursue Him. You probably sensed an insatiable appetite for the Bible, you wanted to pray and you looked for every chance to fellowship with other Christians.

But the Holy Spirit's flame can smolder if you quench it or neglect it. This might be because you've allowed sin to control you, the busyness of life distracted you or trials and difficulties wore you down. But faith isn't measured by feelings. Sometimes our zeal cools because God is calling us deeper.

David said in Psalm 63:1b (NASB), "My soul thirsts for You, my flesh yearns for You, in a dry and weary land where there is no water." If you are in a dry season, don't despair. You might feel like you are in a spiritual rut, but God allows dry times to stir our thirst for Him. It means your roots are going to grow deeper!

In the midst of these trials, a prophetic word from Joseph Z, as shared in an exclusive interview with Charisma News, sheds light on the future and provides hope for believers.

The Prophetic Word: A Time of Revival and Reformation

During the interview, Joseph Z shared a prophetic word that he received from the Lord, which included a timeline of events and a vision of a giant tornado. Despite the seemingly negative nature of these events, the Lord revealed that there would be a time of Revival and Reformation in the midst of the storm.

This message is a powerful reminder that even in the darkest moments, God is still at work. He is calling His people to run towards the battle, not away from it, and to stand firm in their faith. As we navigate the end times, we can take comfort in the knowledge that God is with us and that He has a plan for our lives.
