

Morris Cerullo: God the Father Will Give You Whatever You Ask If You Do This One Thing

International evangelist Morris Cerullo says that if believers take and use the name of Jesus, then God “will give you whatever you ask.” And if He doesn’t, that makes God the Father and Jesus Christ the biggest liars in history.

In a clip from his show, Cerullo says, “Either Jesus was the Son of God and God is God, or God is the biggest liar [and] Jesus is the biggest liar that ever lived—because He said take My name, go to My Father, and if you use the covenant, between Me and My Father, if you use My name, My Father will give you whatever you ask.”
