

Morris Cerullo Says It's Time for the Church to Lay Hold Onto Spiritual Breakthrough

In archival footage, international evangelist Morris Cerullo says believers should be going out and getting people saved by the power of the Holy Spirit. Cerullo says, "I'm talking about laying hold onto a spiritual breakthrough that enabled the early church to take the world." He gives an example of a miracle done by Peter as proof of the Holy Spirit's power. Watch the clip [here](#).
