

Nabeel Qureshi's Widow Offers Crucial Wisdom to Ex-Muslims

Michelle Qureshi, widow of evangelist Nabeel Qureshi, has powerful wisdom for former Muslims who found Christ. "Nabeel advised two years of discipleship and growth before pursuing ministry for anyone coming from the Muslim background into Christianity. He said he learned this lesson the hard way, coming too quickly into ministry while he still lacked grace and wisdom. It was God's protection that helped him steer clear of significant pitfalls," Michelle says..

Her husband, Nabeel, died last year after battling stomach cancer. The anointed evangelist made a significant impact on his mentors and students. Now, Michelle wants others to learn from his mistakes. Take a look.
