

October Prophecy: Radicals Rising for Breakthrough Restoration

When we hear the word “radical,” we often get the impression of terrorism or a football fanatic. But God is calling for radical lovers of Jesus to rise up in this hour.

I heard the Lord say, “Radicals are rising to steal, kill and destroy My plans and purposes in the earth—and in your life. Radical demons have wreaked havoc on churches, families and individuals, bringing sickness, disease, poverty and mind battles that have caused many to abandon their callings and abort their purposes. ... But I am blowing a radical wind of My Spirit on the willing in this season.”
