

Our Red Sea Moment

Fear not, stand firm, and see the salvation of the Lord, which He will work for you today; for the Egyptians whom you see today, you shall never see again. The Lord will fight for you; you need only to be still" (Exod. 14:13-14).

Are you facing a seemingly impossible moment in your life right now ? So many of us are as this world continues to shift drastically in ways that we as believers are finding harder to deal with each passing day. We find ourselves wondering why, or how much longer will this madness continue? How much longer do we have to endure the things that run contrary our beliefs? It seems as if the world is falling apart and Satan is having the time of his life and boldly taking pictures!

We are at an impasse. We need a "Red Sea moment", when God supernaturally intervenes hugely to let the world know that He alone is God. Just as He did in the days of the exodus, when God led the Israelites directly toward the Red Sea with Pharaoh the Egyptian army in close pursuit, it seemed that the Israelites faced a certain death. But God!

God parted the Red Sea and made a way of escape for the Israelites and at the same time destroyed Pharaoh and his army. This was God's way of showing up big as proof that He alone is Lord above all powers and above all kings.

The Red Sea moment served as a pivotal event in biblical history. It cemented the fact that God was indeed God to Moses and the Israelites.

They faced an impossible situation and God delivered them in the most miraculous way.

In our current world situation, we need to see things the way God wants us to see them. To do that will take the renewing of your mind (Rom. 12:2). Receive your victory that was already

paid for by Christ on the cross along with His love, mercy, and grace. The enemy of our souls wants us to give up. He wants us to see things his way and accept the way he has this world system going.

But, I am telling you that we serve a God who “sees” and the stage is ripe and it is set for another Red Sea Moment . Start to see the things that God wants us to see and remember that his promises are true. He is our deliverer. It is time to stand with all of the faith and hope you have in your very soul. A great end time revival is about to be born, one last time, birthed out of another Red Sea moment where believers and non-believers will run to the cross as a way of escape from what God is about to do to demonstrate His power to all people of the earth. There will be no mistake that He alone is Lord. He alone is the Way Maker. He alone is the miracle worker.

For just a while longer we endure and occupy, confident from where our help comes and that Satan was defeated over 2,000 years ago. Whom shall we fear? There soon will be a mass exodus and a “parting” of the ways. Watch therefore, and pray.
