

Pastor Carter Conlon Issues Personal Invitation to 'The Renewal' Event

Carter Conlon, general overseer of Times Square Church in New York City, founded by David Wilkerson, has a critical word for you about "The Renewal," set to take place on Jan. 8, 2022, in Plant City, Florida.

"I'm going to be speaking to you about this covenant that God made with America and America made with God," he says of his part in the event. "What does it look like today? What are the essential elements of this covenant? How is it kept; how is it broken? What is God's part in the covenant with you and with me and what is our part?"

"You might be surprised when we begin to dig through this covenant in the Scriptures to find out what it is that God really has promised for us," Conlon adds.
