

Pastor: Grocery Shelves Are Empty, But God Supplies All Your Needs

Pastor DawnChere Wilkerson talked recently about the shortages in grocery stores in America and how suppliers are struggling with keeping the shelves stocked. But Jesus always supplies all we need to spread His love throughout the earth.

“Now, I want to encourage you today: No matter how you feel, no matter what a rollercoaster of emotions you’ve been on this week, our God doesn’t just have the supply, but our God has absolutely no difficulty getting it to you. ... He turned the tables so that you wouldn’t have to live in fear. You wouldn’t have to live intimidated by what the world is saying today. ... Jesus has granted you access. He’s changed all of our lives because He removed the barrier between us and God by taking on sin once and for all. ...

“I want to tell you, you don’t need a microphone, and you definitely don’t need a stage. In fact, I think some of the most supernatural, transformational moments happen in one-on-one moments when you just look into people’s eyes and you’ve got the love of Jesus that is inside of you. Pour out into their heart. You’ve got what it takes, because you are filled with the very Spirit of God.”
