

# Pastor Mark Burns Says It's 'Time to Be Bold' and Contend for America's Soul

"We've got to be bold in America."

Pastor Mark Burns met with Charisma News content director Jeff Struss during a recent convention to discuss the deep need for believers to arise in Holy Spirit righteousness and take a stand for biblical values in the nation.

Burns believes critical race theory is "destroying this country." And yet, not all hope is lost.

He says not only do believers, teachers, preachers and faith leaders need to pray about it, but they need to put their faith to action.

Watch the exclusive interview with Burns here to learn more about how Jesus' coming should affect the daily lives of Christians everywhere.
