

# Pastor Prophecies: 'America Is at a Tipping Point'

"What is God speaking to you about the future of America?" TV host Jim Bakker asks Pastor Carl Gallups.

Perhaps many other American Christians are wondering the same thing.

"I think America is at a tipping point," Gallups responds. "I think we are very close to losing what we all knew was America. I don't want to lose that for my children and my grandchildren."

But Gallups insists that this tipping point is not just a flesh-and-blood, political issue. He says it's "deeply spiritual."
