

Prophecy: Expect a Time of Rain and Restoration

Welcome to the second month on the Hebrew civil calendar, Cheshvan. This is a time of restoring!

I hear words for the month: "Restoration" and "Rain." Take a moment to remember how God cleansed, restored and saved our humanity through Noah during this month. Noah was recognized as a righteous man in Genesis 7:1: "The Lord said to Noah, 'You and your entire household go into the ark, for you alone I have seen to be righteous before Me among this generation.'"

When you know Jesus as your Lord and Savior, you are called the righteous of God. This means you're now considered to be a man or a woman who God stands beside. His righteousness not only brings protection but also identifies you in the spirit realm. You have been given Christ's robe, breastplate and crown of righteousness as a gift! Because of this gift the angels are with you, and God is going to carry you into the land He called you to inhabit.

Rain. God is bringing rain. During this month, the floods came and cleansed the earth. God only saved the righteous, Noah's family. You may be going through a difficult time right now. Situations are arising in your family. Your marriage may be on the rocks. You may be having problems with friends and division is present. But there's good news! God is sending rain to cleanse you and make you whole. Anything that is broken, God is drawing to Himself and making it like new. It doesn't matter what kind of brokenness you are experiencing; God is cleansing you and will restore you!

Restoration. One of the blessings during this month is restoration! God is going to be restoring things in your life and your family! Whatever the locust has stolen, God is going

to return it. Get ready! God is going to do some rebuilding. Keep in mind that God is also going to close some doors. You may see something leave that you considered to have value, but God will take the broken and fragmented part and rebuild something new. God is getting ready to build new generations, new things in your life that will last for generations to come. You will leave a legacy of righteousness on this earth!

Be encouraged. God is working. He's moving on your heart. Read Genesis 7 with the perspective that you are righteous in Christ, and God has given you access to all you need through His Son Jesus Christ.

God is going to protect, provide, bless and give you increase and prosperity just as He did Noah and his family. He is going to rebuild, reestablish, reposition and restore you in the mighty name of Jesus! Now your job is to stand firm—even if things don't seem like they're working.

Hold on tight to Him. He is your anchor and your root system. God is restoring even our nation. He is doing what only He can do. We must submit to Him and stay encouraged.
