

Prophecy: February Is a Month of Unusual Favor

The Lord recently spoke to me about February of 2020 being marked by the favor of God. I believe many people were advanced and accelerated in January.

However, I believe an even more powerful time is upon us. Because of what many have sown in previous seasons, I believe that the upcoming month of February will be a time of unusual favor. It will be a time to reap for those who have been faithful to sow.

You may have been fasting and praying for the same things for many years. I want to encourage you—your time of favor is here! February will be a month where you will begin to experience an even greater measure of the favor of God.

Unexpected opportunities and open doors will come your way. Answers to many big prayers will be released. God is doing more than we could ever imagine in this season. He will bless you because you have been faithful. This is a time to harvest!

You've sown in the past, but it is time for you to reap! God is releasing His favor on those who have drawn close to and walked faithfully with Him. The blessings and favor that are coming are linked to your past history with the Lord more than the present. Favor is coming for the faithful.

Blessings can sometimes appear to come suddenly. Never become envious or skeptical of those walking in favor. Those who win private victories and walk intimately with God are the ones who receive His favor.

Remember, you cannot eat an apple without there first being an apple tree. In the same way, there cannot be an apple tree without first an apple seed. What you have sown in the past

will begin to manifest as harvest in your future! Past seasons will pay off in this season as the favor of God comes upon your life in a powerful way.

Favor is coming in February. God is releasing and responding to those who have been steadfast in the spirit and obedient to sow in the natural. Don't be discouraged!

If you have not received the answer to your prayers or the fulfillment of a promise, it is coming! This is your time. We must position ourselves with intention to steward the favor of God that will come in this next season.

Those who receive favor and blessing are those who are constantly sowing and therefore always reaping. February is a month of favor! Expect it to come upon you! {eoa}
