

Prophecy: 'God Is Accelerating Answered Prayers'

Recently, the Lord began to speak to me specifically about the month of September. I believe the word of the Lord for this month is to accelerate and advance. September is a month to move forward. September will be a month where everything will be fast-paced.

Over the past week, the Lord has been speaking numerous words to me about getting ready for the next season. As acceleration comes, many will not just take steps towards the Lord, but instead leaps towards the Lord. Many will step into the favor of God like never before. This is going to be a very fast-paced season for many, a season full of acceleration.

I believe this is a season where many will need to move fast. Don't wait for confirmation from others to move forward in whatever God is calling you to in this season. God is accelerating answered prayers. In this season, when you hear God speak to you, immediately begin to move forward with it. This is not a season to passively coast through life; it is time for the body of Christ to start accelerating toward the things of God.

You may need to look back at the prophetic words you've received that haven't come to pass yet. Read and listen to those prophetic words because these promises will begin to manifest like never before. In September, many will move on the prophetic words that have been spoken over them, and the Spirit of God will bring acceleration to move us into a powerful season of advancement. Begin to declare the prophetic words that God has given you because they are being accelerated in this season.

Get ready for the advancement and acceleration from the Holy Spirit. When the acceleration comes, do not become arrogant or prideful. Don't allow the sudden harvest and advancement in this season to cause you to forget that the Lord is the one who brought you there. It is the goodness of God that is being displayed in this season and make sure you stay humble before the Lord with a heart of gratitude. Position yourself in fasting, prayer and in the Word of God in this season. Make sure you are aligned with the right leaders in your life.

This is such an exciting time to be a part of the body of Christ. During this season of acceleration and advancement, I encourage you to allow the Lord to process you. Allow Him to build character and integrity in your life. If your heart is loyal to God, I truly believe, that in this season He will accelerate you in your purpose and cause you to advance in everything He has called you to do for the kingdom of God!
