

Prophecy: God Is Purifying His People, Positioning Them for Upgrades

The Lord is purifying His people, and He is positioning them for upgrades. Upgrade availability is at the disposal of everyone who will diligently seek Him and put themselves on the altar of His love. He desires us to press in at a time like this at a time where we are on the verge of revival.

The Lord has been seeking a company of prophets that will take the world into the next step, into revival. The Lord has found that company of prophets, those people who are willing to lay themselves on the altar of His love.

Love is the foundation of where we will need to go in our next phase of kingdom building. In order to release the kingdom, we have to be full of God's love, His perfect love. Receiving His love comes from spending time with Him. This company of prophets that He is raising up have spent time in His presence seeking His Son, Jesus Christ.

God is getting ready to wash the filth from the face of this earth. He needs His prophets ready to release what He desires to establish in this hour. He needs them armed and dangerous against the satanic kingdom. Being filled with the Lord's overpowering love is one of the many tools these prophets have at their disposal to be armed and dangerous. How can we argue against love when it has been poured out on us, and in return, we pour it out on others?

God says, "We need to get back to the basics of love. We have wondered away from the simplicity of love, but My word says, the greatest of these is love, and that I am love." The Lord says, to prepare yourself to receive my love and be saturated in my love. When My love exudes, lives are changed, people are

healed and deliverance manifests. My glory is my love. When you experience My glory, you experience My love. So get ready, says the Lord, because a new company of prophets is arising, and they are filled with my love to distribute across the earth.
