

Prophecy: 'I Am Unmasking Hidden Destiny of Cities, Regions'

As I have been traveling and observing God's heart for the nations, I have clearly discerned a prophetic switch in the strategies and timing of heaven. Many leaders are being tasked by heaven to build uncommon hubs of the kingdom and the glory of God. Some may never have thought that they would steward a church, a center or a regional gathering place, but are sensing the momentum and anointing to build. There is a definitive building grace being released into the earth in 2019. Prophets and prophetic leaders, along with a new breed of daring apostles, will be on the cutting edge of this move. They will boldly pioneer unusual bases that will serve as centers of tactical kingdom operations in the earth.

The apostolic grace has always been a building grace. God is releasing an apostolic unction into the earth to see, discover, pioneer and then build. Paul identified the apostolic as a master building grace.

"According to the grace of God which has been given to me, as a wise master builder, I have laid the foundation, but another builds on it. Now let each one take heed how he builds on it" (1 Cor. 3:10).

As I was praying recently, the word of the Lord came to me concerning this building grace. I heard the Father saying, "Apostolic leaders, I want to lift you up into a heavenly perspective this year. I want to bring you higher into the spirit of wisdom and revelation. I want to unfold My mysteries and insight to you.

"I want to lift you up above cities and regions in the earth to reveal My plans for the territories. I am revealing

regional plans, blueprints and DNA. I am unmasking the hidden destiny of cities and regions. I will lift up apostolic leaders to see My plans for the cities of the earth.

“I will update your mode of operations. I will release fresh wisdom to you to reach and build. I will release words to decree and declare. I will bring forth an increased building anointing this year. I will bring forth an increased governing anointing. I will bring My people into greater revelation concerning their authority and the mandate to build and establish My kingdom.

“I will break off stagnant mindsets. I will establish new works in the earth that carry the DNA of heaven. I will establish fresh outlets of the kingdom. I will break off the religious mindsets that have kept cutting-edge, apostolic leaders in spiritual stagnation and frustration. For this is a year of fresh plans and a greater emphasis on building. Many will be shocked as they are given blueprints and tools. The apostolic will serve as an anchor while the prophetic serves as an engine; together they will thrust forward.

“The wind of thrust is upon the earth! The wind of acceleration and advance is blowing. Hear and receive the sound of the wind. I am bringing you forth into My heavenly building plans.

“Receive them. Partner with them. Implement them and run in My purpose for this hour.”

The Lord is raising up an apostolic new breed to see. He is bringing forth the revelation for cities and regions. The plans are being given in the realm of the Spirit. These are not plans that are born in the arena of man's wisdom or carnal knowledge. These are plans that are being given by the fresh breath of God.

It is also imperative to understand that the works that will be built by way of revelation will not be dry, dead works.

They will be life-giving hubs and epicenters, places that have seen the mandate of a region and a people. The apostolic does not build cookie-cutter ministries. These assignments are unique and have a strong prophetic influence. They will have a tremendous amount of kingdom weight and glory.

Look for the plans! Listen and lean in. Heaven is speaking and releasing the building anointing into the earth. You will see new places, new works, new ideas and new plans this coming year. It is a year of divine building and apostolic grace.
